Dear Prof. / Dr. / Mr. / Mrs. / Ms. Reni Yunus,

Congratulation! Our reviewers have assessed your manuscript: Screening of phytochemicals and antimicrobial activity of ethanol extract Komba-komba leaf (*Chromolaena odorata*) against bacteria pathogens . We intend to offer a publication for Scopus indexed journals or DIKTI accredited (Sinta) indexed journal for your manuscript.

Attached are the journals list we offer and you can choose one of them. We also attached the publication statement that you should send back to us. If you have any queries, please contact us at icocleh@poltekkesdepkes-sby.ac.id We look forward to your immediate response, and we hope you'll accept the offering. Thank you.

Note, if you accept this offer, then:

- 1.You should change your manuscript format in according to your targeted journal template (the link already provided in the zip file).
- 2.You should send back to us the manuscript (in DOCX File) and the publication statement (PDF file) on due date "September 25, 2020".
- 3.We consider that you withdraw the submission if you unable to follow these instructions.

Respectfully,
